Dear Mr. Garrido,

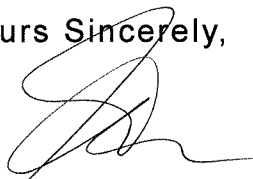

Congratulations on the safe rescue of 33 miners

The Civic Party shares in the joy of the people of Chile on the safe rescue of all 33 miners who were trapped underground for 69 days.

We were all impressed by the courageous spirit of the miners and their unity and strength during their ordeal. Their rescuers and the Chilean Government demonstrated determination and devotion to the task in rescuing the miners and restoring them to their loved ones.

Your country is an inspirational model in showing to the rest of the world how important is every human life.

Yours Sincerely,

Audrey Eu
